OFFICE OF THE R.L.A.

In this case as the landlofd has intimated the vacancy the premises will have to be requisitioned under section 6(4)(a) of the Bombay Land Requsition Act,1948, for the purposes of the State or any other public purpose. As Shri Dixon's services are essential in connection with the repairs of the Tansa Dam, housing him would be considered as a public purpose and the proposal of the Revenue Derartment (Accommodation)that the purpose may be stated as 'to provide accommodation to a person engaged in the essential service' would be in order. The decision of Shri Justice Tendulkar may not be apply to the present case.
